FRESHMAN ORIENTATION

In preparation for a successful career at Villa Julie College, a day was set aside to acquaint incoming freshmen with necessary information. Through small group discussion groups, faculty, staff, administration, and student advisors presented information concerning academic policies and procedures. This was followed by a lunch provided by the school. After lunch, the club representatives presented their clubs through skits.

Jill Gilmore repeated her role as Master of Ceremonies.

Can you find . . .

Starting with a smile.

Encouraging response to club presentations.

Cindy Miller, Sharon Fox, and Laura Walker present their organizations.

President Manuszak converses with new students.

PARENT ORIENTATION

Parents were invited to attend the orientation on a Sunday afternoon. This year parents heard presentations from President Maniszak, Lynn Duncan, and Emory Plitt, Esq. Following the presentation, the parents were divided into groups according to the program their son or daughter chose. In these groups, the parents were informed about the program and given the opportunity to ask questions. The orientation ended with refreshments in the student center.

ALL COLLEGE MEETING

The All College Meetings are held throughout the year to discuss projects or events that are of interest to the entire Villa Julie community. This year the four year program and application for State funds to build the new building were topics at these meetings. Villa Julie College was honored to have visits from Senator Francis X. Kelly and Delegate Timothy F. Maloney. These two men sponsored the bond bill in the Maryland General Assembly.

LECTURE SERIES

The speakers in the 1983 - 84 Lecture Series spoke on a wide variety of topics. Stephen Vicchio began the series with a lecture on the importance of the humanities in a college education. Sandy Hillman, director of the Baltimore Office of Promotion and Tourism, talked about her experiences in her job of promoting the city of Baltimore. Al Bumbry discussed life as a sports figure, and Vince and Tracy Bagli entertained the audience with tales of their lives in broadcasting.

The opening lecture for the spring semester was given by Dan Logan, who discussed the problems of men and women in relationships. Malcolm Daniel spoke on the art exhibit "To Open Eyes", which was on display at Villa Julie. Lois Paris ended the series with a lecture on manners and proper dress for the work place.
